OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

America By Heart Reflections On
"America by Heart" said to me that this was going to be some sentimental paean to a Norman Rockwell ideal, and "Reflections on Family, Faith, and Flag" had me thinking of Norman Vincent Peale. That is not this book at all.

America is in the Heart Reflection

In 2010 Sarah Palin toured the United States promoting "Tea Party" candidates and her new book titled America by Heart: Reflections on Family, Faith, and Flag. Her persistent theme was American Exceptionalism, which she considered an article of faith to all patriots but an embarrassment to President Obama to judge from his notorious interview in the Financial Times.

NEW YORK (AP) -- Sarah Palin's new book has a title, "America By Heart: Reflections on Family, Faith and Flag," and a release date, Nov. 23, publisher HarperCollins announced Tuesday. The Alaska ex-governor and former Republican vice presidential candidate, whose memoir "Going Rogue" has sold more than 2 million copies, has been working on a tribute to American values.

Sarah Palin's New Book 'America By Heart' To Come Out In ...

"America by Heart," which will be officially released on Tuesday (The Huffington Post obtained an advance copy), exhibits Palin in a variety of roles: culture warrior, presidential critic, committed mother and political provocateur. Clocking in at roughly 270 pages, it reads, at times, like an episode of Glenn Beck's Fox News show.
