This is why you remain in the best website to see the amazing books to have. Read Print is an online library where you can find thousands of free books to read. The books are

Briggs And Stratton Sprint 375 Manual

Then, looking for a new governor spring, I bumped into the briggs&stratton parts manual which states that the correct replacement is part number 262760 (as my engine is manufactured before 1996). My doubt is that this item is for the 2 spring version, as in this manual there is no mention to a single spring engine version explicitly.
