The best ALEKS Math test prep programs allow you to make the most of your time. 4. Take an ALEKS practice test. Test prep books and practice questions are great, and classes and tutors are helpful, but there's no substitute for seeing what you'll actually face on test day and doing a trial run.

ALEKS Math Test Prep Course - Tutoring and Practice Tests

Don't bring a brand-new calculator. Bring one you know. Practice for the test using the same calculator you'll use on test day. The Math Test includes some questions where it's better not to use a calculator, even though you're allowed to. It may help to do scratch work in the test book. Get your thoughts down before using your calculator.
