And there's nothing wrong with that.

The First Eight: Classic Doctor Who: "Planet of Giants" ...

Planet of Giants is an unusual story for classic Doctor Who in that it's set on modern day Earth and doesn't feature any time travel. What makes the story stand out is that due to technical reasons, the TARDIS and her crew are shrunk during materialisation, and the Doctor, Ian, Barbara and Susan are reduced to less than an inch in height.
