Initially, notehands and
speedwriting are easier
to learn, but take much
longer to write than
shorthand. In the long
run, Gregg shorthand
wins out.

Shorthand Manual for the Functional Method (FMM) is divided into 80 lessons (called "assignments", same number as the Simplified manual). The manual itself does not present rules per se; students are supposed to deduce the rule from the examples (but you can always use the regular manual to find the rule, since the lessons are correlated).
