How does the effectiveness, or ineffectiveness, of this communication affect relationships?

### Handbook of Communication and Emotion | ScienceDirect

"This Handbook of Communication and Emotion is an important step in making the study of emotion interdisciplinary. As psychologists study emotion more than they ever have, as anthropologists examine the emotions of those in unfamiliar societies, as linguists analyze words for emotion, as neuroscientists lay out the neurochemical basis of emotion, and as evolutionary biologists examine phylogenetic heritage, the old ideas about emotion are being challenged...
