People often use race and color terminology interchangeably in common parlance. Within the United States, color terminology often dominates racial discourse due to common use of color-based racial designations such as “Black” and “White.” Color is thus often used as a synonym for race, but while the two do overlap, color is also distinct from race as colorism is from racism.

Miscegenation comes from the Latin *miscere*, "to mix" and *genus*, "kind". The word was coined in the U.S. in 1863 in an anonymous hoax pamphlet, and the etymology of the word is tied up with political conflicts during the American Civil War over the abolition of slavery and over the racial segregation of African-Americans. The reference to *genus* was made to emphasize the supposedly distinct ...
