As a part of the Court of Justice of the European Union, it is tasked with interpreting EU law and ensuring its equal application across all EU member states under Article 263 of the Treaty of the Functioning of the European Union (TFEU). The Court was established in 1952, and is based in Luxembourg.

European Court of Justice - Wikipedia

The European Court of Auditors (ECA), despite its name, has no judicial powers. It ensures that taxpayer funds from the budget of the European Union have been correctly spent. The court provides an audit report for each financial year to the Council and Parliament.

Institutions of the European Union - Wikipedia

The European Court of Justice has been the dark horse of European integration, quietly transforming the Treaty of Rome into a European Community (EC) constitution and steadily increasing the impact and scope of EC law. While legal scholars have tended to take the Court's power for granted, political scientists have overlooked it entirely.
